WHAT IS THE EPLE EE?

The EPLE EE (Army Language Proficiency Exam - Written Expression) is an exam administered by the Brazilian Army to assess the ability of military personnel to express themselves in writing in English.

The exam requires candidates to produce texts in different text genres, following criteria of clarity, cohesion, coherence, and adequacy to the requested format.

The genres covered include formal and informal texts, such as:

- Steps (step-by-step instructions)
- Formal and informal e-mails
- Memorandums
- Reports
- Descriptions
- Narratives

The exam evaluates not only grammatical proficiency but also the ability to organize ideas logically and objectively, respecting the structure of each text genre.

ABOUT BENVENUTI

Benvenuti Language Course and Professional Mentoring was born with the purpose of connecting language teaching to career development.

More than teaching English, Benvenuti prepares professionals and military personnel to achieve concrete results: passing proficiency exams, career advancement, and real mastery of the language in a professional context.

Our approach integrates:

- The Benvenuti Method of structured teaching
- Targeted preparation for official exams
- Individualized professional mentoring
- Exclusive and updated materials
- Continuous progress monitoring

Benvenuti believes that mastering a language is a powerful lever for international studies and professional growth. Our commitment is to make this path more accessible, practical, and strategic for each student.

WHO IS ZORAIA BENVENUTI?

Zoraia Benvenuti is a language teacher, professional mentor, and founder of Benvenuti Language Course and Professional Mentoring.

With years of experience in results-oriented English teaching, Zoraia developed the Benvenuti Method, an approach that integrates language learning with proficiency exam preparation and career development.

Her mission is clear: to transform language study into a strategic tool for the professional and academic growth of each student.

As a Knowledge Builder, Zoraia believes that every person has the potential to master a new language when they receive structured guidance, appropriate materials, and personalized support.

Her experience includes:

- TOEFL iBT and EPLE EE preparation
 - Individualized professional mentoring
 - Development of exclusive teaching materials
 - Creation of online courses structured in Trails
-

BENVENUTI METHODOLOGY

The Benvenuti Method is a structured approach that combines language teaching with professional mentoring to generate measurable results.

Pillars of the Method:

1. Trail-Based Structure

Content is organized in progressive Trails, allowing students to advance step by step, with clarity about where they are and where they are going.

2. Results-Oriented Focus

Each activity is directed toward a concrete goal: passing exams, mastering text genres, or professional application of the language.

3. Exclusive Materials

E-books, guides, and exercises developed specifically for each exam and professional context.

4. Objective Feedback

Continuous monitoring with detailed corrections and practical guidance for constant improvement.

5. Real-World Application

The language is taught within the context in which it will be used, ensuring relevance and learning retention.

THE BENVENUTI METHOD

Learning English for the EPLE EE goes far beyond memorizing grammar rules. It is about developing the ability to communicate in writing with clarity, confidence, and strategy.

Writing well in English means understanding the context, organizing ideas logically, and using vocabulary appropriate to the required text genre.

The Benvenuti Method was developed over 26 years of experience preparing students, professionals, and military personnel for national and international proficiency exams.

Its goal is to make learning efficient, structured, and aligned with the actual demands of the exam.

The method is based on six fundamental steps that guide the student from theoretical understanding to autonomous text production.

HOW THE BENVENUTI METHOD WORKS

The method is based on six fundamental steps:

1. UNDERSTAND

Understand the type of text, its purpose, target audience, and expected language.

2. LEARN

Study the structure, vocabulary, connectors, verb tenses, and common errors of the text genre.

3. OBSERVE

Analyze complete and annotated models to identify organization and patterns.

4. PRACTICE

Produce texts similar to those required in the exam, applying what was learned.

5. REVIEW

Review grammar, punctuation, vocabulary, and clarity before finalizing.

6. EVOLVE

Progress through three levels: Informal Texts, Formal Texts, and Essay.

THE BENVENUTI METHOD DIFFERENCE

What makes the Benvenuti Method unique:

- Clear and objective explanations
- Gradual content progression
- Alignment with the EPLE EE structure
- Annotated and contextualized examples
- Exercises in the exam format
- Academic and professional vocabulary
- Planning and revision techniques
- Error prevention strategies
- Goal-oriented preparation

OUR MISSION

To develop professionals who communicate with confidence and precision in English, where each learning step leads to exam success and career growth.

BENVENUTI METHOD

Learn • Practice • Evolve • Pass.

WHAT IS THIS E-BOOK FOR?

This e-book was developed to be your complete preparation guide for the EPLE EE exam of the Brazilian Army.

Here you will find:

- Detailed explanation of each text genre covered in the exam
- Structure and characteristics of each text type
- Essential vocabulary and key expressions
- Annotated practical examples
- Strategic tips from Teacher Zoraia
- Targeted exercises for reinforcement

The goal is that, by the end of each Trail, you fully master the text genre studied and are prepared to produce texts with clarity, cohesion, and adequacy to the format required by the exam.

This material was structured in an online course format, organized in progressive Trails, so you can advance at your own pace with full autonomy and direction.

HOW TO USE THIS MATERIAL

To make the most of this e-book, follow these guidelines:

1. Follow the order of the Trails

The content is organized in a progressive sequence. Each Trail prepares you for the next one.

2. Read the explanations carefully

Before practicing, understand the theory. Each text genre has specific rules.

3. Study the examples

The annotated models show exactly what the examiner expects.

4. Practice writing

After each Trail, produce your own texts following the structure you learned.

5. Always review

Reread your texts checking for clarity, cohesion, and adequacy to the genre.

6. Use the Teacher's Tips

Teacher Zoraia's guidelines are based on years of experience with the EPLE EE.

7. Respect your own pace

This is an online course. Move forward when you feel confident in each Trail.

CONTENT ORGANIZATION

Trail 0 is your Starting Point. Here you will understand how the EPLE EE works and how this material will guide you to mastering all text genres covered in the exam.

The EPLE EE is divided into three proficiency levels:

EPLE Level 1 - Elementary

Simple and direct texts: Steps, lists, basic instructions, and informal messages.

EPLE Level 2 - Intermediate

Texts with greater complexity: formal e-mails, memos, detailed descriptions, and short reports.

EPLE Level 3 - Advanced

Elaborate texts: complete reports, narratives, argumentative and analytical texts.

Each Trail in this e-book prepares you to master the genres required at each level, in a progressive and structured way.

Starting from the next stage, we begin Trail 1.1 - STEPS, the first text genre you need to master.

Let's go on this journey together!
